

What's New For Lunch

Tuna Melt

House made Tuna salad, with colby jack cheese, toasted to perfection.

Portobello Grilled Cheese

We saute the Portobello slices until they are almost crispy and full of flavor. This is an old favorite.

Genovese Grilled Cheese

Our most Elegant Sandwich with fresh spinach, basil pesto, sauted portobello and cheese.

Pepperoni Grilled Cheese

Just imagine a classic NY Pepperoni Pizza slice, folded in half and you get the idea.

Classic Wedge Salad

We are finally able to bring this back, along with our scratch Blue Cheese dressing. Available as a Lunch or Side Salad.

Avocado Chicken Panini

Avocado, sous vide chicken, roasted peppers, queso fresco and house Avocado Ranch dressing.

Chipotle Chicken Panini

Sous vide chicken, house guac, queso fresco, roasted peppers and house chipotle cream sauce.

Why Now?

It is really simple. We spent the past 3 years, preparing for this day. It was not just about survival of our business, but preparation and reevaluation. We tweaked every recipe we had (over 250), every process and installed new equipment. Our hope and dream was that when we came out the other side, we would be ready.

Thank you for helping us to survive, now you can enjoy the Thrive!
