

South West Turkey Wrap

Oven roasted turkey, Berkshire bacon, avocado, black beans, locally grown tomatoes, roasted corn and scratch made chipotle ranch.

Veggie Market Wrap

Technically, this is a Vegetarian Wrap, but those meat lovers out there would have no idea. This week it includes Quinoa, roasted sweet potato, 3 more vegetables, feta and special dressing.

Chicken Caesar Wrap

We have taken our Best Lunch Salad and created a Wrap. Our scratch Caesar dressing is inspired by two KC legends, EBT & Jasper's and includes our sous vide chicken breast. Fast, healthy and delicious!
